

**Mary And Max
(2009 Sundance Film Festival)**

Yes a very good choice to open the Fest

The animation and concept is simply the best

Pen Pal Mary is 8

And

44 year old Max,

is severely over weight.

In a world with limited technologies

The film explores:

Autism

Alcoholism

And Taxidermy

Humorous as their lives are long

The films message on Friendship is really strong

Age, Time, Distance and Friendship don't rhyme.

Grade: A-

By David Velo Stewart
