

**The Carter
(2009 Sundance Film Festival)**

**The Carter is a film about a present day super star
Whose heritage from Hollygrove has taken him far.
The camera explores Wayne's life of Truth or Dare
On the road and in the studio as he raps everywhere.**

**Sipping on that syrup explains his music
Yet his lack of inner peace created his work ethic
Fascinating and riveting are all the interviews
Acknowledging- that he has paid more than his dues.**

After watching this film, I can't lie

He is deserving of the title

"The Greatest Rapper Alive"

Grade: B+
